## Mailing Lists

The SLUG mailing lists have been created as a service to, and in support of, members of the Suncoast Linux Users Group.

### Announcement List

This list is for meeting and group event announcements only. You may not post to this list. This may be the only way you hear about meetings.

### Politics List

This list is for topics too volatile/off-topic for the main list. There are no rules and no topic is forbidden; 'netiquette' rules don't even apply. You may be asked to move a hot discussion to this list.
